

TAKE A TRIP TO BOSTON!

Xoran is excited to offer a summer promotion that highlights its strategic partnership with the **AOA** (Association of Otolaryngology Administrators). Xoran will help send you to Boston for the AOA-28 Educational Conference if you purchase and install a Xoran MiniCAT™ between May 1st and September 1st, 2010.

The AOA aspires to be the association of the most visible, valued, and trusted otolaryngology practice management experts, fostering excellence in the professional achievement, leadership in practice management, and information to enhance the quality of otolaryngology practice.

Xoran's mission is to cut waste and inefficiency out of the health care system. We are a small company, and devote our time and attention to the most important part of our business, our customers. Xoran customers can expect innovative products that improve patient care and streamline practice workflow. We remain committed to the otolaryngology community and are proud of our association with the AOA.

Some restrictions apply. Contact Rachel Gajda at rgajda@xorantech.com for full details.

Xoran makes the complex **simple**.™
